

How to Search for Available Properties

Find a Property:

The “Find Properties” menu allows you to search for available properties and view maps associated with the property. Each tract of land available for leasing is identified by a Recreational Lease Unit (RLU) number. Hunting clubs are allowed to bid on and Lease as many RLUs as they like.

Land available for leasing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county. Search results can be filtered by using the drop-down arrows beside each of the search categories.
